2. Basis of Preparation and presentation of Financial Statements:

2.1. Statement of Compliance

The financial statements of the company have been prepared in accordance with the International Accounting Standards (IASs) and International Financial Reporting Standards (IFRSs) as adopted by the Institute of Chartered Accountants of Bangladesh..

2.2. Other Regulatory Compliances

The company is also complies among others the following rules and regulations,

The Companies Act, 1994

The Income Tax Ordinance, 1984

The Income Tax Rules, 1984

The Value Added Tax Act, 1991

The Value Added Tax Rules, 1991

The Customs Act, 1969

Bangladesh Labor Law 2006 (Amended)

The Securities and Exchange Rules, 1987 and

Bangladesh EPZ related rules & regulations.

2.3. Measurement bases used in preparing the Financial Statements

The financial statements have been prepared on a Going Concern basis. The financial statements have been prepared on "Historical Cost" convention basis, which is one of the most commonly adopted base provided in "the framework for the preparation and presentation of financial statements" issued by the International Accounting Standard Committee (IASC).

2.4. Going Concern

The company has adequate resources to continue in operation for foreseeable future. For this reason the directors continued to adopt going concern basis in preparing the Financial Statements. The current credit facilities and resources of the company provide sufficient fund to meet the present requirements of its existing businesses and operations.

2.5. Functional and presentational currency and level of precision

The financial statements are prepared and presented in Bangladesh Currency (Taka), which is the company's functional currency. All financial information presented has been rounded off to the nearest Taka except where indicated otherwise.

2.6. Change in Accounting Policy

During the period the company has not changed its policy to record at "Historical Cost" convention basis, which is one of the most commonly adopted base provided in "the framework for the preparation and presentation of financial statements" instead of measured at fair value. As no accounting policy has been in the current accounting period and had no other material impact on earnings per share for comprehensive income for earlier period.

3. Principal Accounting Policies:

The accounting policies set out below have been applied in preparations of these financial statements;

3.1. Property, Plant and Equipment

3.1.1. Recognition and Measurement

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable inward freight, duties and non-refundable taxes. Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment. The Company recognizes in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if it is probable that the future economic benefits embodied within the item will flow to the entity and the cost of the item can be measured reliably. All other costs are recognized in the income statement as an expense as incurred.

3.2. Leased Assets

Leases in terms of which the company assumes substantially all the risks and rewards of ownership are classified as operating leases. Land Lease agreement with BEPZA executed to construct building on the land and operation thereof for the lease period 33 years as well as renewal of agreement after expired of agreement. Upon initial recognition these leased assets are measured at an amount equal to the Cost basis. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

3.3. Investment in FDR

Investment in FDR includes fixed deposits held with different bank. The fixed deposits are renewed upon maturity at the option of the company.

3.4. Inventories

Inventories are stated at the lower of cost and net realizable value in accordance with IAS 2 "Inventories". The cost of inventories is based on weighted average principle and includes expenditure incurred in acquiring the inventories and bringing them to their existing location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. Adequate allowance is made for obsolete, damaged and slow moving inventories.

3.5. Accounts Receivables /Trade Debtors

Accounts receivable has been stated at its original invoiced amount supported by L/C. This is considered good and is falling due within one year. Related party transactions relating to sales/purchase are made on arm length basis. Rate of sale/purchase of related party transactions are fixed as applicable to other outsider parties. No amount was due by the Director (including Managing Director), Managing Agent, Manager & other Officers of the Company and any of them severally or jointly with any other person.

3.6. Advance, Deposits and Prepayments

Advances are initially measured at cost. After initial recognition advances are carried at cost less deductions, adjustments or charges to other account heads such as PPE or inventory etc. Deposits are measured at payment value. Prepayments are initially measured at cost. After initial recognition prepayments are carried at cost less charges to profit and loss account.

3.7. Cash and Cash Equivalents

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the entity's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows. Amount of Cash and Cash Equivalent under USD has been reflected in BDT and exchange rate fluctuation has been recognized accordingly.

3.8. Trade Creditors and Accruals & Provision

Trade and other payables are stated at cost. A provision is recognized in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Trade Creditors under foreign currency has been presented in BDT.

3.9. Loans and Borrowing

Principal amounts of loans and borrowings are stated at their outstanding amount. Borrowings repayable after twelve months from the reporting date are classified as non-current liabilities whereas the portion payable within twelve months, unpaid interest and other charges are classified as current liabilities.

3.10. Revenue Recognition

Revenue is recognized to depict the transfer of promised goods or services to the customer in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services as provided in IFRS 15 "Revenue from contracts with customers".

The following five steps are applied to recognize revenue;

- identify the performance obligations in the contract. Performance obligations are promises in a contract to transfer to a customer goods or services that are distinct.
- determine the transaction price. The transaction price is the amount of consideration to which an
 entity expects to be entitled in exchange for transferring promised goods or services to a customer.
 If the consideration promised in a contract includes a variable amount, an entity must estimate the
 amount of consideration to which it expects to be entitled in exchange for transferring the promised
 goods or services to a customer
- allocate the transaction price to each performance obligation on the basis of the relative stand-alone selling prices of each distinct good or service promised in the contract.
- recognize revenue when a performance obligation is satisfied by transferring a promised good or service to a customer.

3.11. Foreign Exchange:

Transactions in foreign currencies are translated at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated to Bangladesh Taka at the foreign exchange rate ruling at that date. Foreign exchange differences arising on translation are recognized in the income statement in accordance with IAS 21 "The effects of Changes in Foreign Exchange Rates."

3.12. Finance Income and Expenses

Finance income comprises interest income on funds invested. Interest income is recognized on maturity. Finance expenses comprise interest expenses on loan, overdraft and bank charges. All borrowing costs are recognized in the profit and loss account using effective interest method except to the extent that they are capitalized during constructions period of the plants in accordance with IAS 23 Borrowing cost.

3.13. Earnings per Share (EPS)

The Company calculates Earnings per Share (EPS) in accordance with IAS 33. Earnings per Share, which has been shown on the face of Statement of Comprehensive Income account, and the computation of EPS is stated in related notes.

3.14. Cash flows statement

Cash Flow Statement is prepared in accordance with IAS 7 "Statement of Cash Flows". The cash flow from the operating activities have been presented under Direct Method as prescribed by the Securities and Exchange Rules 1987 and considering the provisions of Paragraph 18(a) of IAS-7 which provides that "Enterprises are encouraged to report Cash Flow from Operating Activities using the Direct Method".

3.15. Comparative Amounts
